A group of young people, mostly girls, are gathered around a stall. Some are wearing blue hoodies with a white cross logo and the word "FRAT". One girl in a red hoodie has "FRAT 2024 Bury-Rosarie" printed on the back. They appear to be interacting with the volunteers at the stall.

The stall is located under a large white tent. The volunteers are wearing blue hoodies with a white cross logo and the word "FRAT". One volunteer is wearing a red cap and sunglasses. The stall is decorated with wooden poles, colorful lightbulbs, and African print bunting. The background shows more tents and greenery.
